

# Upland Working Certificates

## Judges: Dawn Schuster & Kaye Wyn | Monday, May 16

The National Specialty Field events started off with our Upland Working Certificate and Upland Working Certificate Excellent. Our Judges Kaye Wyn and Dawn Schuster set up our tests in the Beautiful fields at the back of Sandy Dollars Neshkoro property. Being spring the cover was thin but our excellent bird planters found some spots to hide the Chukar Partridge. The birds were not out in plain sight, and it was great to watch the Curlies use the wind to pinpoint their location. Watching the Curlies flush the birds is always exciting and our gunners CCRCA Members Gary Unangst & Ginger LaCrosse were able to bring down most of the flyers for the dogs to retrieve. The birds flew great and were very nicely feathered for spring birds. After Lunch & call backs we finished off the tests with the trail for the UWCX. This is always the most challenging part of the test, but it was one of the best run and successful trails I have ever seen! Truly great to watch the dogs work the cover and find the track. We ended up handing out 9 UWC & 10 UWCX Rosettes.
